LEGEND:

- Cast Aluminum monument found.
- Cast Aluminum monument found (broken at the upper shear point).
- 3/4" X 24" solid round iron rod set, weighing 1.50 lbs per lineal ft.

NOTES:

- Bearings are referenced to the E. line of the SW 1/4 of Section 18, which was assumed to bear N0°44'19"E.
- The Warranty Deed used for this project is recorded in Volume 409, Page 230. This Warranty Deed did not reference and conveyance to Green County for Highway purposes. I contacted the Green County Highway Department and they had a set of Right-of-way plans which led me to find a conveyance of land for Highway purposes recorded in Volume 231, Page 130. This conveyance does state that Fee Title was given to Green County. The right-of-way for C.T.H. B and Dill Road was recreated using the plans supplied by Green County and existing evidence.
