NOTES:

1. Bearings and distances shown in parenthesis, indicates recorded as data.
2. Bearings are referenced to the S. line of East Lake Avenue, which bears S89°59'06"E, according to the Green County Coordinate System, as defined by the Wisconsin Department of Transportation and determined by GPS observation, 2007 Adjustment.
3. In conducting my research for this project, it appears that there may have been some sort of a recent survey performed on a portion of O.L. 103, as the Legal Description Recorded in Volume 827, on Pages 449 thru 453 reads as if one had been performed and I found no recorded of a survey at the Green County Register of Deeds Office. I contacted the current Land Owner Harvey Kubly, he stated that he was looking for a copy as well and had contacted Surveyor Dennis Truttman to see if he had a copy of a survey map. Surveyor Truttman informed Mr. Kubly that a survey had been performed some time back and that it is possible a copy of the survey map was never filed and or does not exist.
