NOTES:
 1. Dates of field work: November 17 & 18, 2011. Any changes to site conditions after November 18, 2011 are not reflected on this map.
 2. This Topographic Survey Map was prepared by Vierbicher Associates, Inc. under contract with the School District of New Glarus.
 3. The data used to create this map was compiled using GPS and robotic total station.
 4. Utility locations were field located based upon substantial, visible above ground structures and upon markings on the ground placed by utility companies and/or their agents. No warranty is given to the utility markings by others or that all underground utilities affecting this property were marked and subsequently located for this survey. A locate request was sent to Digger's Hotline per Digger's Hotline One-Call ticket numbers 20114701971 and 20114701979. Location of private utilities are not within the scope of this survey.
 5. No attempt has been made as a part of this survey to obtain or show data concerning condition, size, or capacity of any utility or municipal/public service facility. For information regarding these utilities contact the appropriate agencies.
 6. Contours and elevations depicted hereon are based upon the NAVD88 Datum.
 7. Surveyor has made no investigation or independent search for easements of record, encumbrances, restrictive covenants, ownership title evidence, or any other facts that an accurate and current title search may disclose.

DESCRIPTION FURNISHED: Lot 1, Certified Survey Map 1169 as recorded in Volume 4 of Certified Survey Maps, on Page 17, as Document Number 327820, Green County Register of Deeds, in the Village of New Glarus, Green County, Wisconsin.

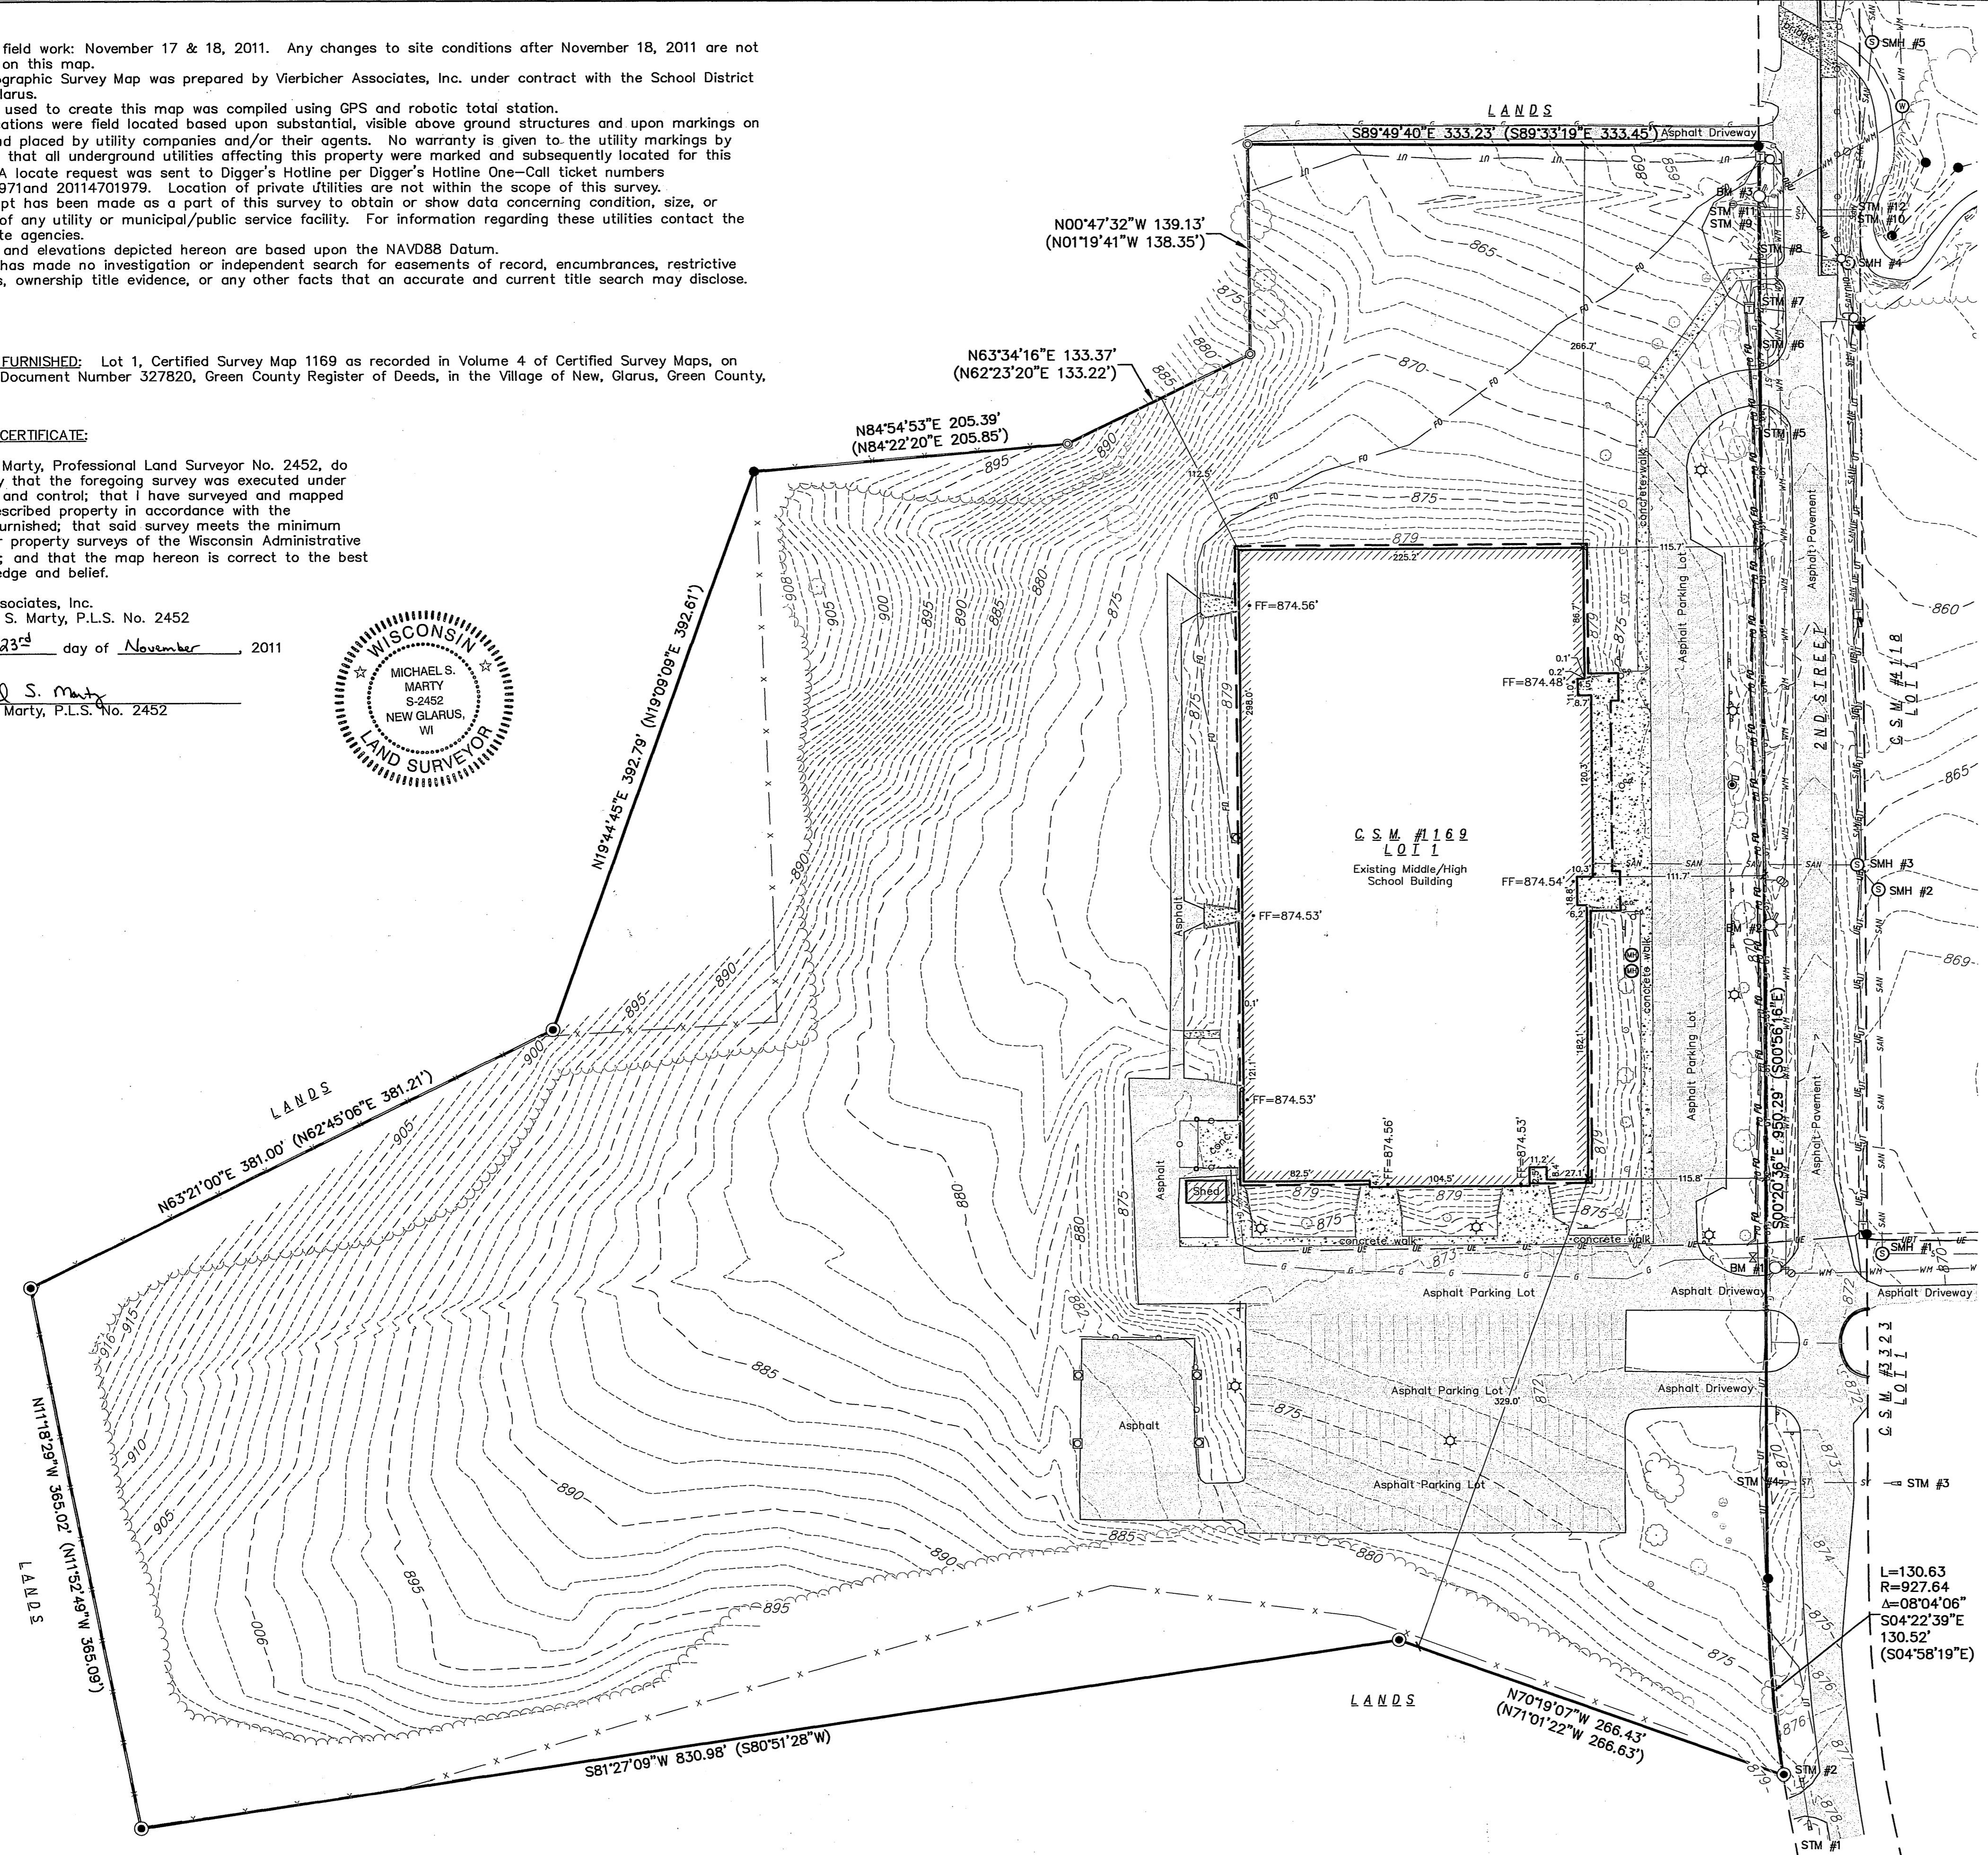

SURVEYOR'S CERTIFICATE:

I, Michael S. Marty, Professional Land Surveyor No. 2452, do hereby certify that the foregoing survey was executed under my direction and control; that I have surveyed and mapped the above described property in accordance with the information furnished; that said survey meets the minimum standards for property surveys of the Wisconsin Administrative Code (A-E7); and that the map hereon is correct to the best of my knowledge and belief.
