NOTES:

1. Dates of field work: November 3, 17 & 18, 2011. Any changes to site conditions after November 18, 2011 are not reflected on this map.
2. This Topographic Site Map was prepared by Vierbicher Associates, Inc. under contract with the New Glarus Public Library.
3. The data used to create this map was compiled using GPS and robotic total station.
4. Utility locations were field located based upon substantial, visible above ground structures and upon markings on the ground placed by utility companies and/or their agents. No warranty is given to the utility markings by others or that all underground utilities affecting this property were marked and subsequently located for this survey. A locate request was sent to Digger's Hotline per Digger's Hotline One-Call ticket numbers 20114412366, 20114412375, 20114412408 and 20114412421. Location of private utilities are not within the scope of this survey.
5. No attempt has been made as a part of this survey to obtain or show data concerning condition, size, or capacity of any utility or municipal/public service facility. For information regarding these utilities contact the appropriate agencies.
6. Contours and elevations depicted hereon are based upon the NAVD88 Datum.
7. Durst Road is asphalt pavement with concrete curb & gutter. STH "39" is asphalt pavement with gravel shoulder.
8. Surveyor has made no investigation or independent search for easements of record, encumbrances, restrictive covenants, ownership title evidence, or any other facts that an accurate and current title search may disclose.
